Extra Credit Questions

Answer the questions below using complete sentences

1. Think of the students who are highlighted in the film – Alex, Kelby, Ja'meya, Ty and Tyler. What about them made them targets for bullies? What makes someone appear to be an “outsider” or “outcast?”

2. Tyler's father says that while Tyler didn't come home with bloody noses and broken bones, he did come home with emotional wounds. What is the difference between physical abuse and mental abuse? Why is mental abuse possibly more damaging than physical abuse?

3. Think of the different stories that are told in the film. Who is to “blame” in each of these stories? Who is to blame for Tyler's suicide? Who is to blame for the abuse Alex experiences?

4. The film focuses on both the student perspective and the adult/parent perspective. Do you feel that the parents and adults understand what the students are going through? How do they try to reach out to the students? How do they succeed? How do they fail?

5. Kelby has a strong group of friends that support her. How important are friends? How does having friends help boost self-esteem and confidence for Kelby?

6. What resources are available at your school for victims of bullying? Do you feel safe from bullies at your school?

7. Have you ever bullied someone or been bullied? Explain how you felt and the result/consequences.

8. How could you help someone who is being bullied? What can you do to stop bullying in your school?
